1 July 2017

Concession parking now available

From July 1, our hospitals will introduce new concession parking rates.

Eligible patients and carers can apply for discounted parking as part of NSW Health parking changes.

Patients and carers eligible for discounted hospital car parking include:

- Holders of a RMS issued Mobility Parking Scheme Permit
- Holders of a Blue Pensioner Concession Card
- Holders of a Gold Veterans Affairs Card
- Holders of a Health Care Card
- Ongoing cancer treatment patients
- Patients and their carers who are required to attend the hospital for a course of treatment over a period of time greater than one week
- Patients and their carers attending more frequently than twice weekly, including carers of long term patients who visit frequently
- Cardiac rehabilitation education and exercise class attendees
- Daily dressing outpatients
- Health promotion education class attendees.

NSW Health launched a public hospital parking website and app in English and eight other languages, to provide information on fees and concessions, eligibility criteria, maps, public transport options and other health-related subsidies.

To find out if you are eligible and for details about concession parking rates and how to apply at each hospital, visit <http://parking.health.nsw.gov.au> or call your local hospital.
