Application for authority to undertake clinical placements in NSW Health facilities

Students must apply to NSW Health for authority to undertake Clinical Placements within the NSW Health Service, or authority to continue with Clinical Placements if they:

- have offences or pending charges disclosed in their National Police Certificate, Overseas Police Certificates or Statutory Declaration; or
- have been charged or convicted of offences after the issuing of their Police Certificate.

The following documents must be submitted:
- a completed ‘Application for Clinical Placement Authority’ form;
- a certified copy of the National Police Certificate (issued within last 3 years);
- a certified copy of overseas Police Certificate/s and/or Statutory Declaration (for overseas students only);
- a certified copy of the Student ID issued by the Tertiary Education Institution;
- relevant supportive documents such as independent references, evidence that you have successfully completed relevant training, education or treatment courses etc.

Students are required to send the required documentation to:

Criminal history does not necessarily constitute a barrier to clinical placement. Each application is considered on its merits, and its relevance to undertaking clinical placement in NSW Health facilities. Mitigating factors, including but not limited to the length of time since the convictions, the nature of the convictions and action taken since by the student will be considered.

If the risks relating to the criminal history are not relevant or are considered sufficiently mitigated, NSW Health will provide a Clinical Placement Authority Card or a Conditional Letter with authority to undertake clinical placement subject to certain conditions.

If the risks relating to the criminal history are unacceptable, or the student has not provided the required documentation, NSW Health may decline the application and withdraw such authority if it had been previously provided. The student will be informed of this decision in writing and of the requirement to inform the educational institution’s Clinical Placement Supervisor or Facilitator.

Students should allow sufficient time (a minimum of 15 working days) for NSW Health to process the Clinical Placement Authority Card or the Conditional Letter.
