

The Kid's Space

The Kid's Space is the best place for children to explore the growing world, get their hands dirty and participate in activities that connect them with nature. All activities are free including:

Plant A Seed in a Coffee Cup

Come along and bring a coffee cup to receive a seedling to grow in your own room! See nature grow from seedling to full plant and begin your gardening journey!

Adopt a Tomato

Join Concord Hospital and adopt a tomato, learn about how vegetables grow and become a Mum or Dad to a new baby tomato!

Flora Kulchas

The Flora Kulchas are floral characters who bring floral design and horticulture alive in performances. This beautiful cast of floral characters also have special guest celebrities like The Cowdashianz.

Painting Workshop

Pick up a paintbrush and learn how to paint still life flowers with the Drummoyne Art Society. Choose your favourite colours and paint any flower you want to take home.

Terrarium Making

A terrarium is like an aquarium, but for plants instead of fish and looks like a miniature garden or forest enclosed in its own little world. Make one for your family and grow a garden inside your room.

Flower Cupcakes

Make your own flower cupcake with a Styrofoam base and real life flowers to create an amazing cupcake bouquet of flowers that looks too beautiful to eat.
