

SLHD FIRE TRAINING VIRTUAL ONLINE GUIDE - PRACTICAL

Step by Step Guide to completing Fire Training – Virtual delivery – Practical Module

- 1) Login to My Health Learning. We recommend you access My Health Learning via Google Chrome – look for this icon

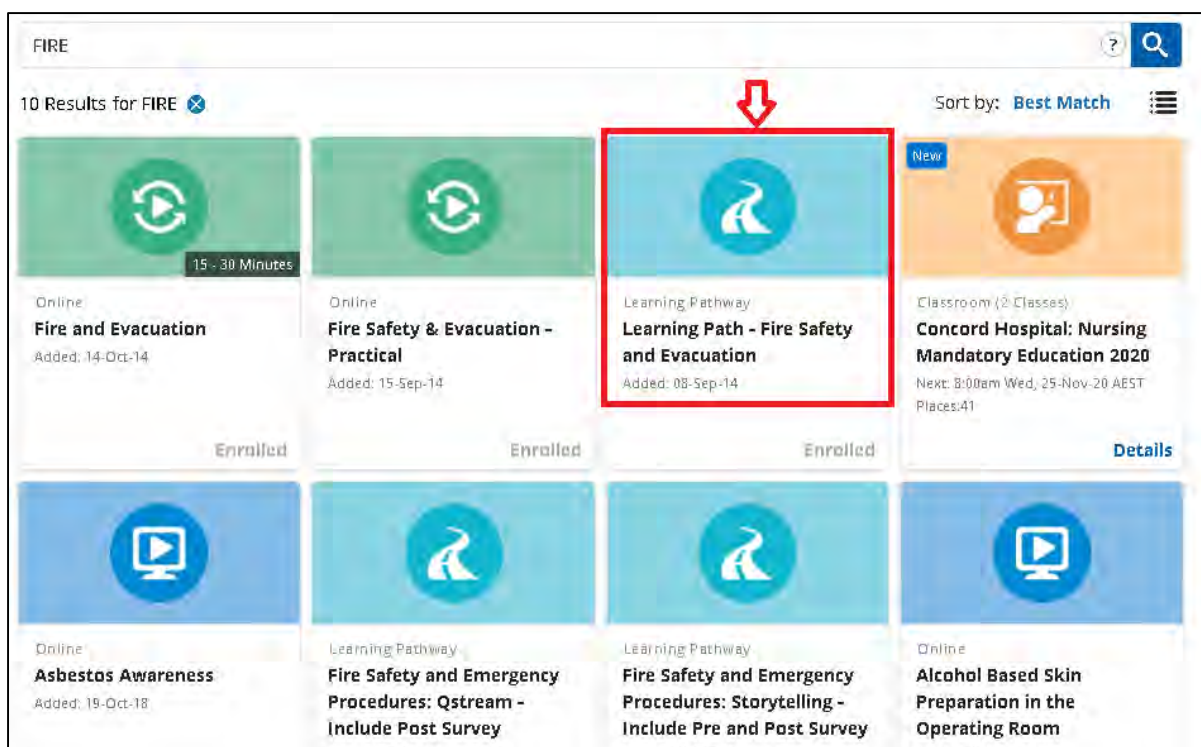

- 2) Go to Search Catalogue (to locate the Learning Path – Fire Safety and Evacuation)

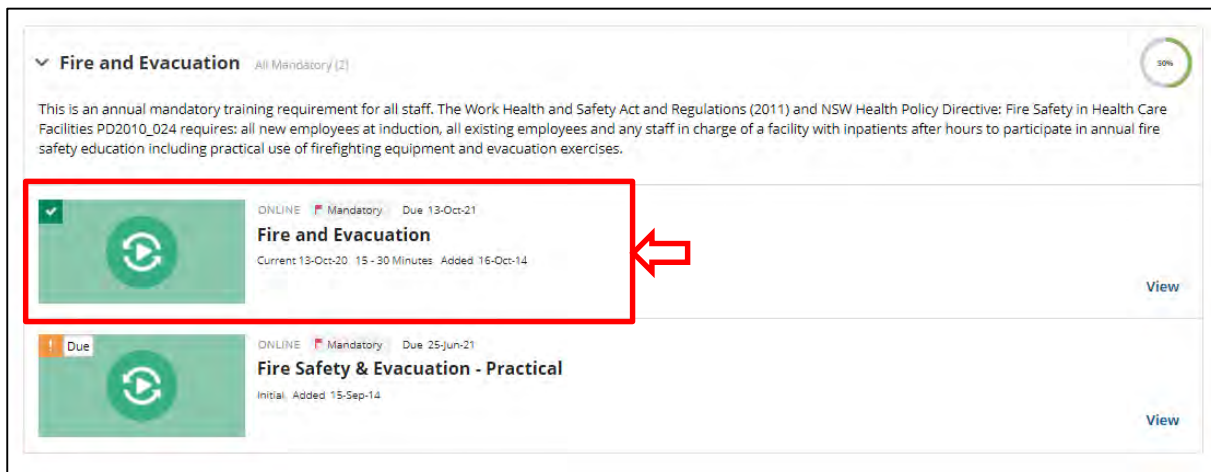

- 3) Enter into Search the word FIRE

- 4) You **MUST** choose the Learning Path – Fire Safety and Evacuation – No other method will show the video content or allow enrolment for virtual delivery

5) Choose Fire and Evacuation

Fire and Evacuation All Mandatory (2) 30%

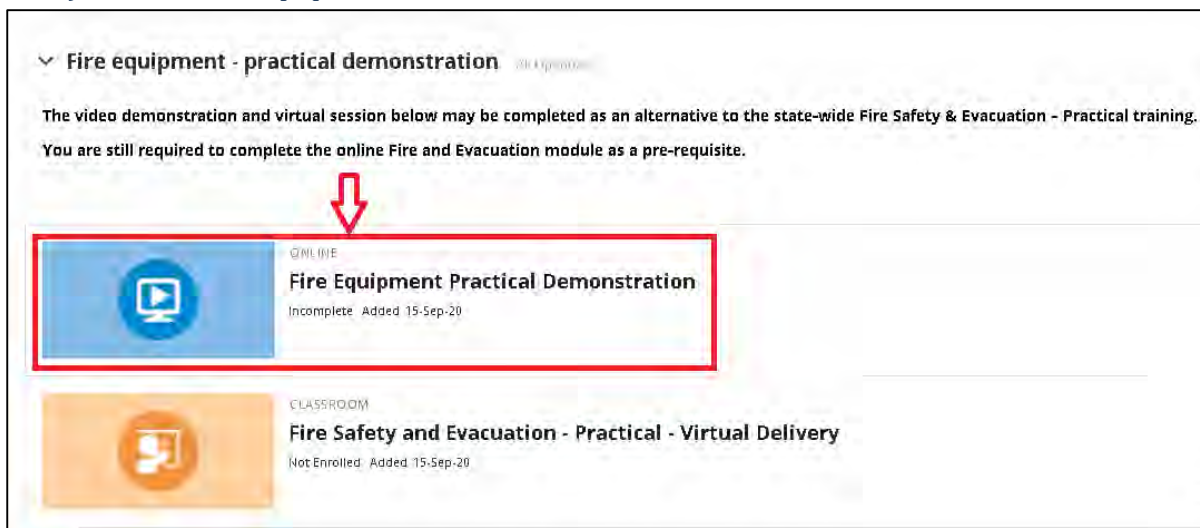

This is an annual mandatory training requirement for all staff. The Work Health and Safety Act and Regulations (2011) and NSW Health Policy Directive: Fire Safety in Health Care Facilities PD2010_024 requires: all new employees at induction, all existing employees and any staff in charge of a facility with inpatients after hours to participate in annual fire safety education including practical use of firefighting equipment and evacuation exercises.

Fire and Evacuation ONLINE Mandatory Due 13-Oct-21
Current 13-Oct-20 15 - 30 Minutes Added 16-Oct-14 View
