

BSB50420 Diploma of Leadership and Management

Health
Registered Training
Organisation
RTO Number 90198

Why Should I Enrol?

The Diploma of Leadership and Management is a nationally recognized qualification that has been contextualized for those working in management roles within a health setting. The program provides students with the skills and working knowledge required for effective management and leadership in the workplace. All units of competency covered in the qualification assist students in developing a range of management related competencies that can be applied in the workplace.

Completion of this Qualification can be mapped to the National Safety Health and Quality Services Standards, 2nd edition: 1.1, 1.3, 1.5, 1.6, 1.7, 1.8, 1.18, 1.20, 1.22, 1.25, 1.28, 5.1, 5.2, 5.5, 6.1 & 6.2.

Many workshops feature guest speakers who have senior positions within SLHD as well as facilitated group discussion and activities.

The Diploma of Leadership and Management is delivered over 13 face to face workshops over a 15 month period and required assignments within 18 months.

What are the Benefits of this Course?

The course has a highly pragmatic scope that requires direct workplace application and management of your team. You will experience this while working in a group learning environment and networking with other SLHD managers enrolled in the course.

Target Audience

People employed as senior staff members, managers, acting managers or those who contribute to the review of or add value to management practices or processes.

Cost

This program is available free of charge for SLHD employees. Fees may apply for external applicants. Please contact CEWD for more information.

Student Requirements

You are required to attend all workshops as part of this program. The workshops will be held face-to-face at the CEWD Rozelle campus and via Zoom. You are also required to apply leadership and management knowledge and skills through a series of assessment tasks for each unit. Students must be able to offer significant time and focus to the achievement of these workplace tasks and projects.
