

RPAH & CRGH HREC Monthly Clinical Trials Drop-in Clinics 2023:

Are you applying for Ethics
approval for a Clinical Trial?

Unsure what documentation you
need to submit?

Unsure how to respond to a
specific question?

Unsure how to register your
Clinical Trial?

Unsure how to respond back to
the Committee's request for
further information?

Purpose: To support nurses, allied health clinicians and administration staff in how to submit an application for a Clinical Trial, submit correct documentation, and process all stages of an application, a drop-in clinic with RPAH Clinical Trials Sub-Committee Chair and Research Office staff is being provided.

All researchers are welcome to attend and support will be provided by both the Concord Hospital and RPAH Research Office Executive Officers.

Do I need to book? Please email sanaa.thomas@health.nsw.gov.au or sarah.truong@health.nsw.gov.au if you would like to 'drop-in' via Zoom (same day notice is fine). If you would like to organise an alternate date & time, this can also be arranged.

What to bring? This will depend on where you are at in preparing your initial Clinical Trial application or a response. Please bring relevant documents if you have them (e.g. draft Protocol).

Will I be required to do anything? After your attendance, you will be invited to provide voluntary, anonymous feedback on the clinic.

Facilitated by: Professor David Cook - Chairman of the Clinical Trials Sub-committee and Ms Sanaa Thomas, Sub-committee Executive Officer

Venue & Time:

12.00pm - 2.00pm

Via Zoom Video Conferencing

If you would like to organise an alternate date & time, this can also be arranged.
