

Do you **live or work** in **Green Square?**

Would you **like to**
share your experiences
to help us deliver
great healthcare?

Sydney Local Health District is looking for people who would like to share their ideas and opinions about a new community health centre and services being developed in Green Square and Waterloo.

By joining our steering committee and attending regular meetings, you can be a voice of the community as we plan the future delivery of healthcare.

To express interest or
to find out more, contact
Pam Garrett,
Director of Planning,
Sydney Local Health District
