Dr Charbel Sandroussi
The RPAH MOA wishes to acknowledge the support of RPAH through Mr Ken Cahill General Manager and staff and the support of the Sydney Local health District through Dr Teresa Anderson and staff. The RPAH Medical Board kindly donated towards the expenses of interstate and trans Tasman visitors.

The RPAH Audiovisual Service provided all the audiovisual support and graphic design and we thank Ms Rowena Morgan, and staff who helped distribute programs and media and staff of KPEC for logistic support. Food Services at RPAH gave us sterling service.

The Medical Officers Association of RPAH is an alumni organisation relying on annual fees of its members for funding of the bulk of the annual scientific program. The transplantation symposia in the 2012 program were supported by Roche pharmaceuticals.

**No registration fee is required**
- Lunches are only provided for speakers / chairs (all days) and on Friday for all attendees.
