A/Prof Richard Waugh ^{AM}

Dr Graham Yule

TUESDAY, 1st AUGUST

3.00 –
5.00pm:

**The Patron's Prize and the President's Prize for
Junior Staff Research**

Finalist abstracts in Clinical Research (Patron's Prize) and Laboratory Research (President's Prize) are judged by a panel of judges after 8 minute presentations.

The selected abstracts will be notified 2 weeks prior to presentation. All are welcome.

5.00pm

Refreshments

WEDNESDAY, 2nd AUGUST

12:00	Annual General Meeting RPAH Medical Officers' Association RPAH Red Room
12:30	Refreshments and light lunch Foyer KPEC

SYMPOSIA

Opening of symposia & Plenary 1

KPEC Auditorium

13:00	Welcome and introduction of the 2017 McIlrath Guest Professor General Manager RPAH / President RPAH Medical Officers' Association
13:10	Genomic Testing in Reproductive Medicine - Plenary 1 <i>Prof Rossa Chiu</i> , Visiting McIlrath Guest Professor
13:50	Discussion Obstetrics - Prenatal Diagnosis Chair: <i>Prof Jonathan Hyett & Dr Lisa Worgan</i>
14:00	Cell free fetal (cff) DNA screening: An Australian perspective <i>Andrew McLennan</i>
14:20	Expanding the breadth of aneuploidy screening <i>Jason Pinner</i>
14:40	Using Non-Invasive Prenatal Testing NIPT wisely (a set of interesting cases) <i>Rossa Chiu</i>
15:00	Reproductive Autonomy and Genomic Testing <i>Ainsley Newson</i>
15:20	Meeting the demand for prenatal diagnosis: where are we headed? <i>Michael Buckley</i>
15:40	Discussion
16:00	Refreshments Foyer KPEC
	Genomic aspects of Reproductive Medicine Dedicated to the late Professor Robert Jansen KPEC Auditorium Chair: <i>Dr Gabrielle Dezarnaulds</i>
16:30	Embryo testing technologies <i>Steve Grkovic</i>
16:50	Benefits of Preimplantation Genetic Screening (PGS) for infertility <i>Mark Bowman</i>
17:10	Issues of mosaicism <i>Anthony Marren</i>
17:30	Epigenetic aspects of embryo development <i>Chris O'Neill</i>
18:00	Close

THURSDAY, 3rd AUGUST 2017

Genomics for prediction of adverse obstetric outcome KPEC Chair: <i>Dr Robert Ogle</i> KPEC Auditorium	
10:30	Genomics for prediction and prevention of preterm birth <i>Craig Pennell</i>
10:50	The vaginal microbiome in pregnancy, the intra-amniotic microbiome and preterm birth <i>George Mendz</i>
11.10	Keynote Insights into pregnancy physiology from maternal plasma cell-free DNA characteristics <i>Rossa Chiu</i>
11:35	My pre-eclampsia; why me, why now and what can you do about it? <i>Annemarie Hennessy</i>
12:00	Refreshments and light lunch KPEC Foyer
	Plenary 2 The Placenta Chair: <i>Dr Adrienne Gordon</i>
12:30	Burning the Placenta and Stillbirth <i>Prof Roger Smith</i> Discussion
13:15	Perinatal & Paediatric Aspects Chair: <i>Dr Felicity Collins</i>
13:30	The genomic autopsy <i>Chris Barnett</i>
13:55	Genomics and Developmental Origins of Health and Disease <i>Craig Pennell</i>
14:20	Genomic sequencing for rare diseases <i>Lisa Ewans</i>
14:45	Identifying renal genomic anomalies: Impact on reproductive and child health <i>Amali Mallawaarachchi</i>
15:10	Discussion
15:30	Close & Drinks

FRIDAY, 4th AUGUST 2017

Gynaecological Oncology KPEC Auditorium

Chairs: *Prof Jonathan Carter & Dr Lyndal Anderson*

Dedicated to the memory of the late Professor Malcolm Coppleson

9:30	PARP inhibitors and their role in ovarian cancer <i>Trevor Tejada-Berges</i>
10:00	Moving to HPV testing in cervical cancer screening <i>Selvan Pather</i>
10:30	Centralising care for ovarian cancer. The role of peritonectomy and hyperthermic intraperitoneal chemotherapy (HIPEC) <i>Marcelo Nascimento</i>
11:00	The clinical application of genomics in gynaecological cancer <i>Sam Saidi</i>
11.30	Discussion 10 minutes
12:00	Refreshments and light lunch KPEC Foyer
FRIDAY Clinical Grand Rounds: 1-2pm KPEC Auditorium	
Chair: <i>A/Prof Roger Garsia</i>	
13:00	Cell free (cf) DNA and maternal malignancies led by <i>Jon Hyett</i>
13:40	Discussion
14:00	Close

Evening Social Event: Annual Combined Dinner of the RPAH Medical Officers Association and the RPAH Medical Board at Ivy Function Centre Sydney CBD

Bookings essential through the RPAH Medical Board
